

Engagements April

For Prayer

Please keep praying for the Team as we approach Easter, you will see there are still a considerable number of assemblies and lessons to do, with some even coming after Easter. We are grateful for the opportunities we have had to share the Easter story again this year.

We are currently preparing for our AGM, and would like to thank you in advance for coming and supporting us. We always enjoy sharing fellowship with our supporters and telling you about the work that we're doing. Don't forget, we are happy to come and share more about our work at churches. Please call the office if you would like us to visit you one Sunday.
