

Engagements December 2017

For Prayer

As we draw to the close of another year you will see that we are blessed with many opportunities to share the amazing joy of the Christmas story and the birth of Jesus with the children of Redbridge. Please pray for open hearts and minds. Please also pray for Rob and Matt as they deliver the assemblies, for health and protection during the coming weeks and for rest and refreshment over the Christmas period.

2017 has seen growth in many areas of our work and we thank God for his continued provision. Please join with us in praying for guidance as we enter the new year and especially for new opportunities to share God's love with the children and young people of Redbridge in 2018
