

Engagements December

For Prayer

As things stand we will be sharing the Christmas story within 32 schools in the form of lessons and assemblies. Please pray for open hearts and minds to hear the story afresh this year. Please also pray for the team for health and protection over the coming weeks and for rest and refreshment over the Christmas period.

As 2018 comes to an end we thank God for another busy year and the many opportunities we have had to share God's love throughout the schools of Redbridge. We are excited to see what 2019 will bring. Please pray with us for guidance and especially increased opportunities to share new lessons and go into even more schools.
