

Engagements January 2018

For Prayer

We give thanks for all the opportunities that 2017 offered the Project, especially the 48 Christmas lessons and assemblies that we delivered in the run up to the holidays, which reached over 10,000 children.

We ask you to join with us in praying for the CEP Vision Away Day on 31 January. The Management Committee and the Staff are taking time out together to spend the day looking at the vision and future for the Project.

We would welcome your prayers over the coming months as we are hoping to visit churches within Redbridge to promote the work of the Project and to encourage continued support of our work.
