

Engagements January

For Prayer

2018 saw considerable change for the Project. We were blessed to appoint Helen as the new Project Leader and she has settled in well. Matt left the Project at the end of the year so we will be starting the year with two new Schools Workers – Heather and Velisha. Please join with us in praying for the new team and increased opportunities to use their gifts in our local Schools.

The Management Committee and Staff are taking time out this month to pray for and plan the future work of the Project. Please join us in prayer for this day.

We are hosting another Support Group Prayer Meeting on 16 January. Please consider coming along to join us to learn more about our work and to pray with us.
