

Engagements June 2018

For Prayer

Sunday 24 June is our annual Gift Day. We've been encouraged in recent years by the response to our Gift Day. Please pray that this year's will be well supported. Specifically, we would like to sign up new regular supporters through our 'Friends of CEP' scheme.

We are starting our "It's Your Move" lessons with Year 6 children this month. This resource is a young person's guide to moving to secondary school, and we have 1,500 books to give out free of charge and are pleased to be going into new schools this year to share this resource. If this is something you would like to support and make a specific donation towards, please contact the office.

This month adverts will be going out with regard to recruiting to the team. Please pray for this process.
