

Engagements June 2019

For Prayer

Sunday 23 June is our annual Gift Day. We would be grateful if as many churches as possible could publicise this for us. Please pray that this year's will be well supported.

We have started our "It's Your Move" lessons with Year 6 children. This resource is a young person's guide to moving to secondary school, which we give out free of charge. Yet again we have managed to take bookings from new schools this year to share this resource. If this is something you would like to support and make a specific donation towards, please contact the office.
