

Engagements May 2018

For Prayer

Thank you for your constant prayer support for the Project.

As the summer term fast approaches we are booking in It's Your Move lessons for Year 6 pupils. This resource is a young person's guide to moving to secondary school. We gave out 1,000 books last year, free of charge, and have ordered 1,500 copies for this year. Please pray as we liaise with the schools and identify new ones to share this resource with. If this is something you would like to support and make a specific donation towards, please contact the office.

Please pray for this month's engagements and please also pray for primary children and staff who will be going through KS2 SATS exams during the third week of May.
